FOREWORD

THE 1969 WINDMILL STAFF Invites You To COME IN AND STAY AWHILE

This book tells the story of the Holland Public Schools located in the thriving community of Holland, Indiana. We invite you to mingle with the 437 students as they go through the routine of an average day.

We will stop in the various classrooms, visit with friends in the hall, attend the athletic events and porticipate in the social and extra-curricular programs.

We hope that you will enjoy your visit with us. We have endeavored to depict our school system as it really is.

At a few minutes before eight, buses roll in, delivering students who are eager to begin the day.

High school students rush into the school building to greet their friends and to get o last minute look ot their homework assignments.

Girls frequently may be seen in the lobby discussing the previous night's activities and other vital matters.

The students put away books they took home the night before and take the ones they need for their first class.

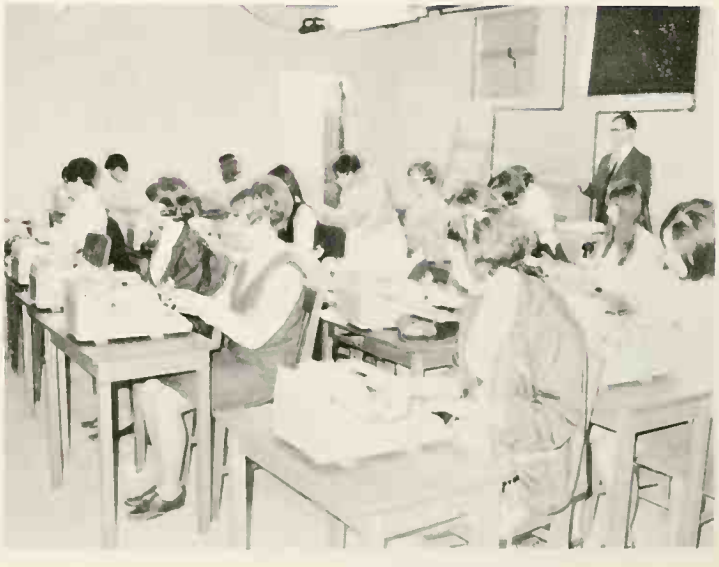
A few may be seen pausing to take a last minute drink before they scatter to their various classrooms.

Two Holland seniors enter the classroom, so that they may begin another day of work and study.

The schoolday at HHS, or at any school, centers around the classroom. It is here that the students receive the major portion of their education, and here that teacher-pupil contact, so vital in the learning process, occurs. We now invite you to spend a typical day at Holland High and visit each class throughout the day.

Period One — 8:05

Senior boys learn anatomy ond hygiene in Coach Neel's Health class. Their activities during the year included a trip to the Holland waterworks while studying public health services.



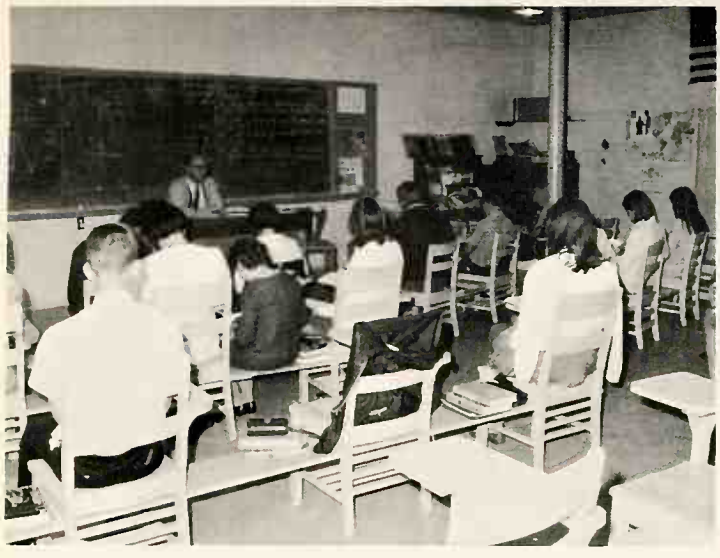
Mr. Christmas holds a stopwatch as the Office Practice class strives for typing speed and accuracy. This class prepares students for clerical work and office procedures.

The emphasis on mathematics ot Holland High is begun with Freshman Algebra. Mr. Katter is the instructor in this closs.

Group dynamics and current events are an important part of the Juniors' U. S. History class. Taught by Mr. McGlothlin, it gives students o thoraugh grounding in American History and the foundations of our democracy.

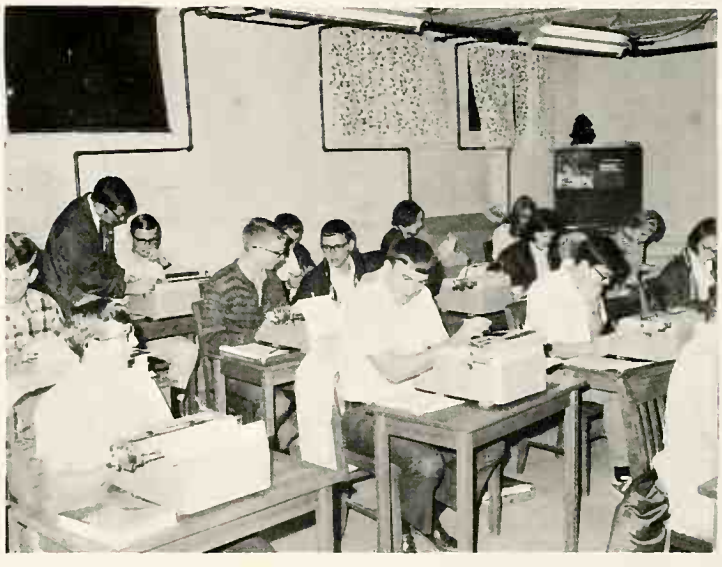
Sophomores broaden their knowledge of English grammar and usage in Mr. Stilwell's first period English class. The language is the basis for all study.

Period Two — 9:05



Tenth-grade Latin students take the first steps into the world of foreign language. Under Mr. Katter they learn that Latin is the background for much of our own English speech.

The Juniors in Mr. Oxley's Typing I class learn not only the care and use of the typewriter but also the proper way to type letters, reports, manuscripts, and other useful items.



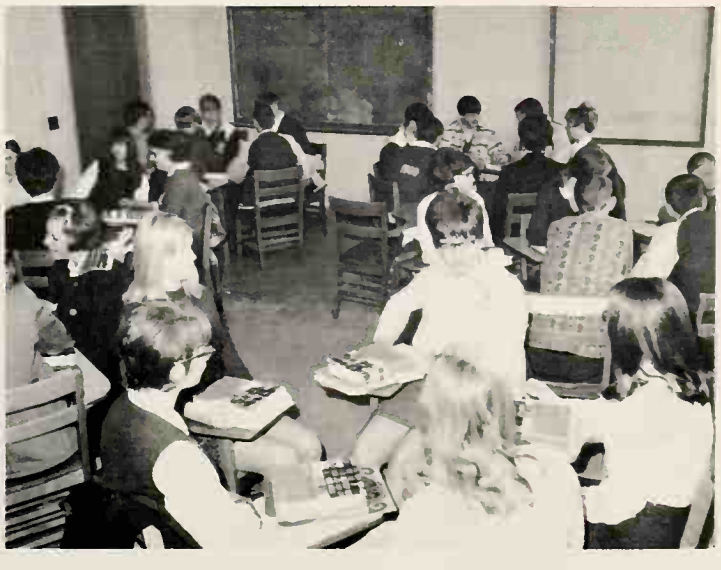
The fine arts at HHS are given a boost by Mrs. Berry and her art students. Their projects for the year include drawing, oil painting, sculpture and enameling.

Senior English under Mr. Stilwell is an adventure into speech and composition. One of the favorite exercises in public speaking was the class play.

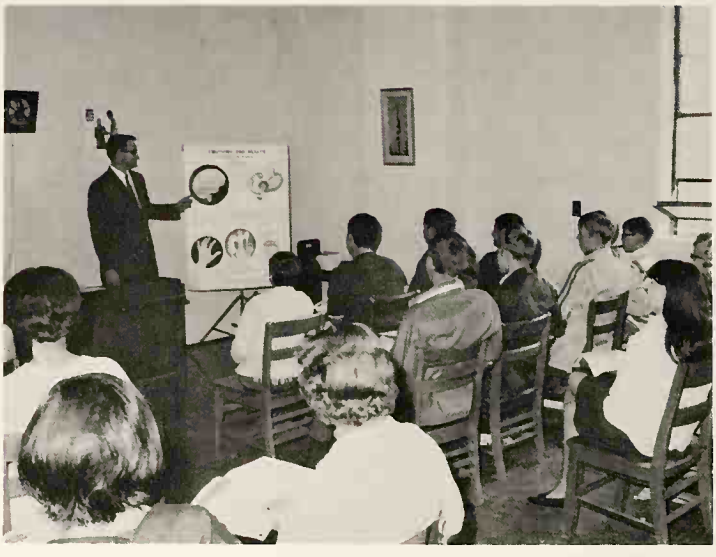
Period Three — 10:00

Mr. Oxley gives an explanation of compound interest to the sophomores in his Commercial Arithmetic class. They concentrate on the mathematics that are so important for daily living.

Seniors discuss the problems of a democratic government and divide into debate teams to increase their knowledge. This 10 o'clock class is taught by Mr. McGlothlin.



The study of plant and animal life begins in Freshman Biology. Mr. Hunefeld leads the way on this excursion into the fascinating living world around us.



Mr. Backer explains the complicated geometrical figures which are the beginning of higher mathematics as his tenth grade students look on intently.

Mr. Christmas is ready to give aid to any Junior who happens to bog down in the study of literature. This is one of the important phases of English 11.

Fourth Period — 11:00

Freshman boys are ready with the answers to Mr. Hunefeld's questions in World History. This class delves into the ancient bockgrounds which have given us the modern world in which we live.

Junior and Senior boys in Mr. Katter's fourth period Agriculture class learn the fine points of modern forming and the care and feeding of farm animals.

Driving a car is not only knowing how to start and stop it but alsa the rules of the raad. Here Coach Neel gives directions as four sophomores prepare ta change a tire.

Lunch — 11:50

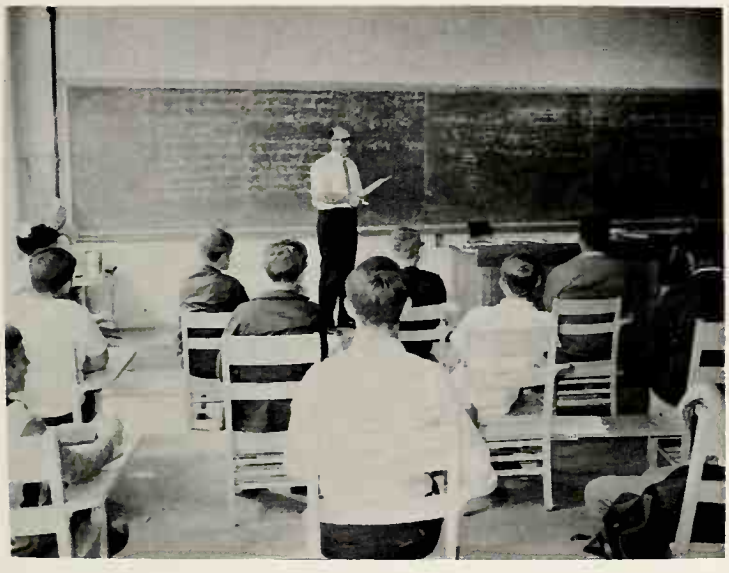
The smiling faces of these third and fourth graders indicate their enjoyment of the fine meals served in our cafeteria.

Lunch is the favorite period of the day for many students, including these high school girls who are at the end of the line.

Sixth Period — 12:30

The students of Economics and Sociology listen as Mr. Hunefeld lectures on the pressing social problems of our day.

Mr. Backer looks on as one of the members of the Algebra II class struggles to explain logarithms to the rest of the group.



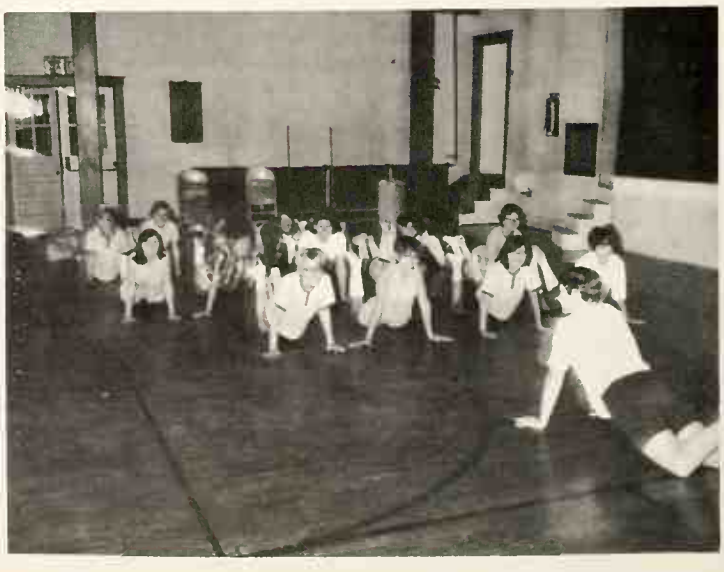
Mr. Katter gives a quiz on farming procedures to the ninth grade boys who take his Agriculture I class.

The Freshman girls enjoy planning and cooking tasty foods in this sixth period Home Economics class. Mrs. Lammers stands ready to advise and give oid.

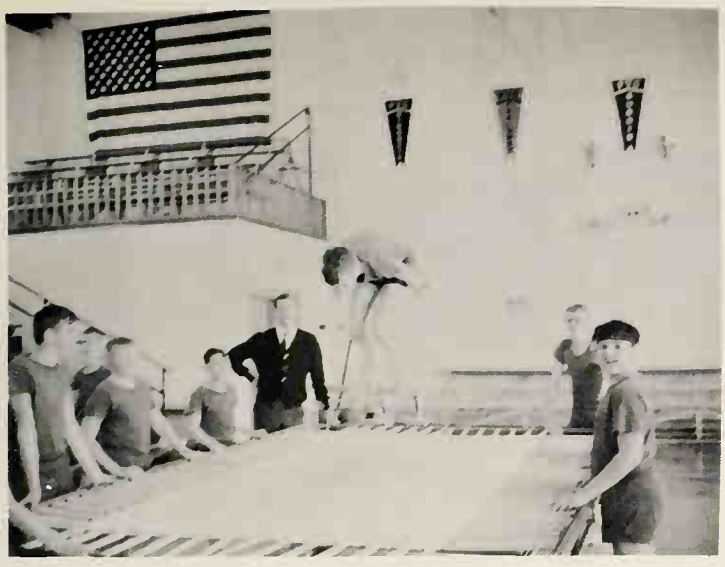
Seventh Period — 1:30

The girls of the sophomore class listen attentively as their teacher, Mrs. Lammers, gives them hints on homemaking and wise shopping in their Home Economics class.

1:30 finds the Juniors and Seniors who take Chemistry gathered around a lab table to test some of their theories. Mr. Backer keeps a watchful eye on them.



Actions speak louder than words, and Miss Taylor finds a demonstration is helpful when leading the ninth grade girls in doing exercises.



The trampoline, which was purchased this year by the athletic department, was greatly enjoyed by the Physical Education classes. Coach Neel looks on as the ninth grade boys try their skill.

Students in Mr. Christmas' Bookkeeping class learn the basic principles of handling ledgers and journals.

Eighth Period — 2:30

Students who are not in class find a quiet place to work in study hall. This one, at 2:30, is held in the North Assembly.

Spring days finds the tenth, eleventh, and twelfth grade girls out on the ball diamond for their eighth period Physical Education class under Miss Taylor.

The Freshmen develop and broaden their speaking and writing knowledge of the English language in this class under Mr. Stilwell.

Track season comes with spring, and these Senior Physical Education students prepare the pole vault equipment under the direction of Mr. Oxley.

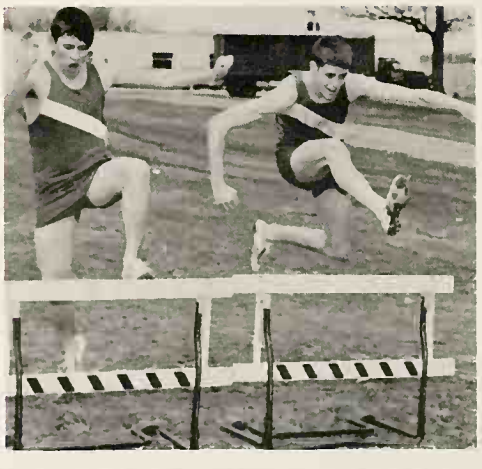
MIKE EDELE AND ALLEN HUNEFELD PREPARE FOR THE 100 YD. DASH.

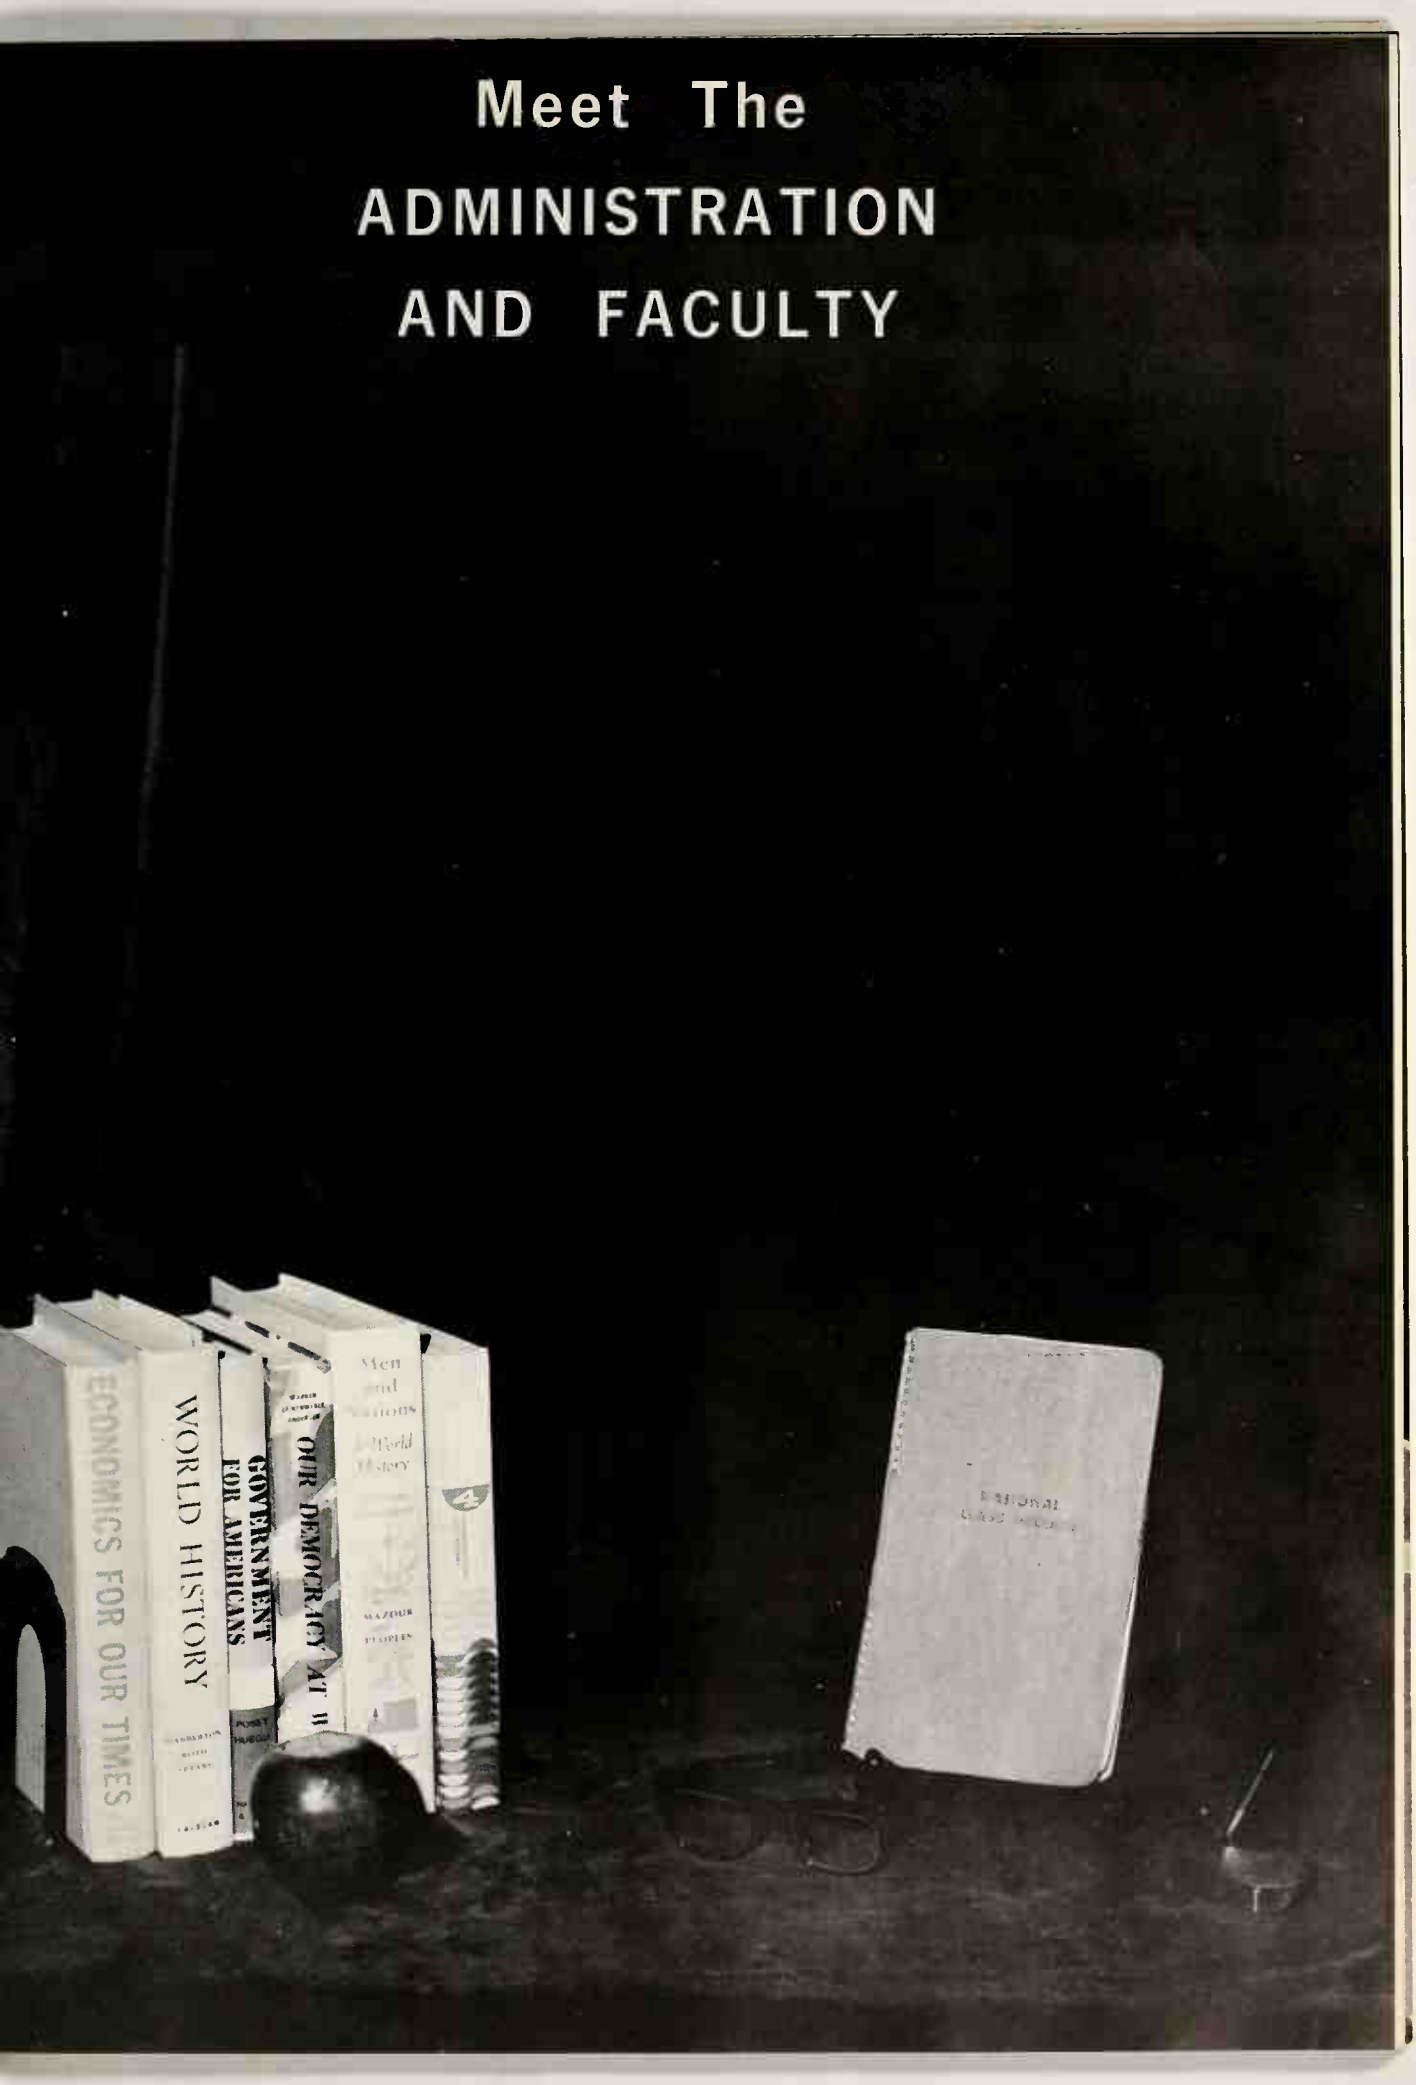
SENIORS

TERRY KAMMAN, POLEVAULTER, CLEARS THE BAR WITH EASE.



AARON RAMSEY AND PHIL MEYER GOING FOR THE LOW HURDLES RECORD.

Meet The ADMINISTRATION AND FACULTY



OLD ADMINISTRATION

Mr. Earl Buechler
Superintendent

Mr. Kenneth Fark
Trustee

NEW ADMINISTRATION

Alan Nass, President; Max Olinger, Vice President;
William E. Schnute, Superintendent; Dennis Balsmeyer, Secretary.

Our principal, Mr. Lowell E. McGlothlin, has many duties besides the administration of the school. He teaches the Junior U. S. History class and the Senior Government class. Mr. McGlothlin arranges for representatives of the various colleges and technical schools to speak to students about their future careers, and is available for counseling and advice. This year he also served as sponsor of the Sophomore class and along with Mrs. McGlothlin accompanied the Seniors on their class trip.

Mr. McGlothlin holds a B. S. and an M. S. Degree from Indiana State University, and he also holds a lifetime Superintendent's License.

We, the seniors of 1969, wish to thank Mr. McGlothlin for the help and guidance he has given us during our school days at HHS.

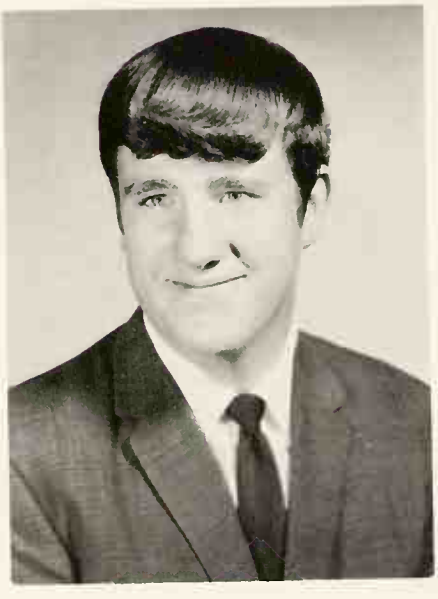
"Ding-a-ling"

Secretary 1; Class Play 3, 4; Newspaper Staff 4; Band 1, 2, 3, 4; Chorus 1, 2, 3, 4; Pep Club 1, 2, 3, 4; Scholastic Honor Banquet 3, 4; Majorette 3, 4; Maid-of-honor 4; Attendant 3.



ROBERT CONNELL TEVEBAUGH
"Tiger"

Transferred from Jasper High School; Track 2; Class Play 3, 4; Band 2, 3, 4; Chorus 1, 2, 3; Pep Club 1, 2, 3, 4; Commerce Club 2, German Club, 2, 3.

CLASS HISTORY

As we, the seniors of 1969, start our journey through the ocean of life, we look back on the bay that has taken us 12 years to cross.

On August 28, 1957, Ruth Blemker, Ronald Blesch, Stephen Bogmenko, Robert Buse, Roger Buse, Tony Byers, Terry Caldemeyer, Ronnie Carver, Debrah Daugherty, Gary Dougan, Kathie Frields, James Gentry, Steven Henke, Allen Hunefeld, LaVonne Hunter, Terry Kamman, Rebecca Kratzer, Steve Land, Carol Langebrake, Linda Lauderdale, Sandra Laehr, Juanita Meyer, Kay Meyer, Lana Meyer, Philip Meyer, Carla Partenheimer, Deborah Partenheimer, Donna Peters, Janet Prusz, William Randolph, Phyllis Schmett, John Small, Steven Thimling, and Linda Trumpey began their journey through Holland Public School under the guidance of Miss Lilly Beumer.

In the second grade, the pupils were divided and their teachers were Miss Lilly Beumer and Mrs. Leona Schulte. Although we lost Stephen Bogmenko, Ronnie Carver, Tony Byers, and William Randolph, we gained Wesley Laughead and Ransdall Raisor during the year.

Mrs. Schulte was our teacher again in the third grade. Wesley Laughead was no longer with us but Jim Law and Linda Sullivan had joined our class.

Thirty-two students began their fourth grade year with Miss Irene D. Bartelt as their teacher. We had lost James Gentry and Robert Buse but Sharel McEntire joined our class. During the year Jackie Morgan joined our class but Sharel McEntire moved away.

Mrs. Mildred Lowry had the task of teaching us in the fifth grade. Jackie Morgan was no longer in our class but we had a new student, Tammy Dorsey.

In the sixth grade we again had Mrs. Lowry as our teacher. Linda Trumpey had moved to Elberfeld during the summer and Sharel McEntire had moved back. However, Sharel moved away during the year.

As we started our first year of Junior High School we found we had 30 students in our room. Tom Dorsey and Becky Kratzer had moved away and Patricia Stephens was a new member of our class. This year we elected Mr. Raymond Katter as our class sponsor.

In the eighth grade, we selected as our class flower, a white carnation and "We have crossed the bay, the ocean lies before us" as our class motto.

Thirty-six students started their Freshman year at Holland High School in 1965. These students were Ruth Blemker, Ron Blesch, Linda Bueltel, Roger Buse, Terry Caldemeyer, Debbie Clark, Debrah Daugherty, Gary Dougan, Michael Edele, Kathie Frields, Steven Henke, Allen Hunefeld, LaVonne Hunter, Terry Kamman, Donald Kippenbrock, Steve Land, Carol Langebrake, Linda Lauderdale, James Law, Sandra Loehr, Juanita Meyer, Kay Meyer, Lana Meyer, Philip Meyer, Carla Partenheimer, Deborah Partenheimer, Donna Peters, Janet Prusz, Phyllis Schmett, Nathan Schnellenberger, Barbara Schwinghamer, John Small, Patricia Stephens, Linda Sullivan, Steven Thimling and Patricia Tobin. Our class officers were President, John Small; Vice-President, Linda Bueltel; Secretary, Patty Tobin; and Treasurer, Barbara Schwinghamer. We chose Debbie Partenheimer and Phil Meyer to represent our class on the Student Council. We chose Linda Bueltel as the freshman attendant in the Basketball Queen Crowning. We lost Debbie Clark at the end of the freshman year.

The class officers during our sophomore year were as follows: Phyllis Schmett, President; Sandra Loehr, Vice-President; Kathie Frields, Secretary; and Terry Caldemeyer, Treasurer. Ron Blesch and Linda Bueltel served on the Student Council. Sandra Loehr was elected to represent our class as the Basketball Queen Attendant. Debbie Daugherty left our class during the sophomore year.

Donna Bernardi joined our class at the beginning of the Junior Year. Our class officers were President, Steve Henke; Vice-President, Nathan Schnellenberger; Secretary, Sandy Laehr; and Treasurer, Janet Prusz. We elected Kay Meyer and John Small to represent our class on the Student Council. We presented two class plays, "A Connecticut Yankee in King Arthur's Court" on October 20, 1967 and "The Worm Shall Squirm" on October 22, 1967. Janet Prusz and Patty Tobin were the Basketball Queen Attendants this year. The Junior-Senior Prom was held at the French Lick Sheraton Hotel on May 3, 1968. We chose "Italian Night" as the theme for the prom.

In 1968 we began our final year at H. H. S. We lost Phyllis Schmett, Jim Law, and Donna Bernardi, but Aaron Ramsey joined our class. Our class officers were President, Steve Henke; Vice-President, John Small; Secretary, Sandy Loehr; and Treasurer, Janet Prusz. Kathie Frields and Nat Schnellenberger were the Student Council members. Sandra Loehr was chosen Christmas Queen and Janet Prusz was chosen Basketball Queen. Patty Tobin and Linda Bueltel were the Basketball Queen Attendants. On April 18, we presented our class play, "Our Hearts Were Young and Gay". On May 2, we attended the Junior-Senior Prom at the French Lick Sheraton Hotel. The prom theme was "Oriental Gardens". Baccalaureate exercises were held at the St. James Lutheran Church on May 11 and on May 14, we received our diplomas at Commencement exercises. Our high school days ended with a memorable trip to New York and Washington D. C. on May 16.

As we read this history, we realize our motto is true. We have crossed the bay and the ocean does lie before us.

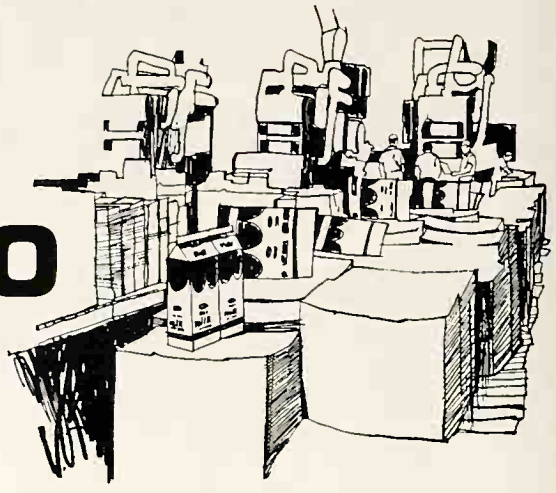
During your lunch hour today, Georgia-Pacific will produce another 145,000 milk cartons.



And, during the year, the total production at our polyethylene extrusion plant in Crossett, Arkansas, will be 800 million cartons. That's a lot of cartons in any man's book and means that Georgia-Pacific is in the packaging business to stay . . . and grow.

Georgia-Pacific Conquers Everest

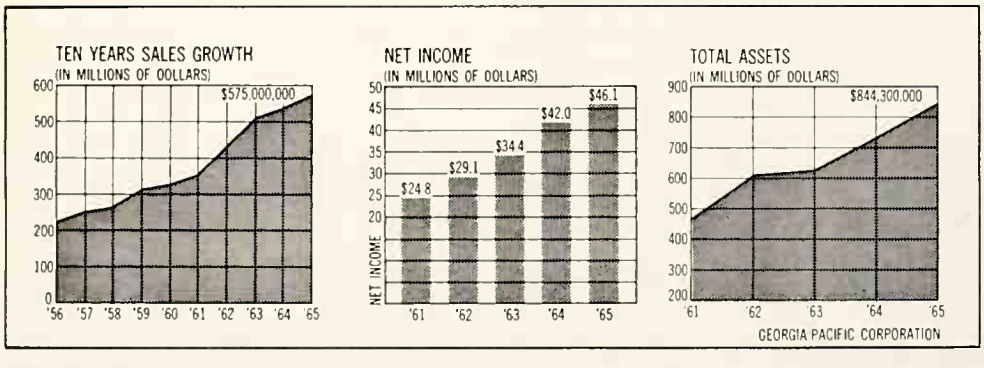
A few years ago, when Americans conquered Mt. Everest, Georgia-Pacific was there. Our corrugated carton plant in Olympia, Washington, developed special "glacier-proof" cartons for use on the expedition. The same plant developed cartons that withstood the heat and dampness of the 1965 Quintana Roo Expedition into the jungles of Mexico.

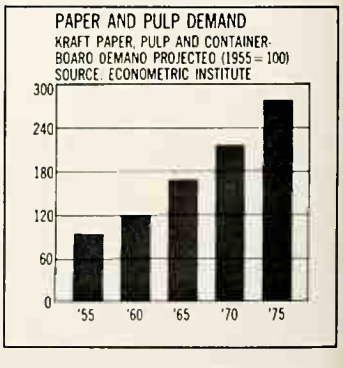
Packaging Demand Soars

When you think about it, there isn't much you can buy that doesn't need a package. Today, the annual per capita consumption of packaging material derived from pulp is 240 lbs. According to the American Paper Institute, this need will grow to 270 lbs. by 1970.

Georgia-Pacific Production Grows

We now have 18 converting plants across the country producing everything from milk cartons to boxes for frozen turkeys. Our corrugated box plant in Olympia even makes special boxes for an artist who carves totem poles with a chain saw. Today, Georgia-Pacific produces 1,601,000 tons of pulp and paper products annually. With the recent building of two new pulp and paper mills our productive capacity has increased 28% in less than a year. More production to meet the growing demand. In this way, Georgia-Pacific continues to live up to its reputation as the Growth Company.





Georgia-Pacific owns or controls approximately 35 billion board feet of timber. Our forests are managed on a sustained yield basis. We are growing more timber each year than we harvest for our operations.

HUNTINGBURG, INDIANA

To the many persons who have helped us throughout our high school careers we express our deepest gratitude and present to you, this, your book.

To you, our teachers at Holland, we extend our sincere thanks for prodding us onward and guiding us in the right direction. Your efforts have prepared us for the challenges we will meet as we face the future. We are grateful for your understanding and your warm interest in us. Your friendly attitude has made our four years enjoyable and memorable ones.

We also extend our gratitude to you, our parents, who have been most understanding and helpful during our high school days. You have made many sacrifices for us and have assisted us in countless ways.

Last and most important of all, we are deeply grateful for the inspiration you have given us to continue our efforts to become better citizens and to make the world a better place because we have lived in it.

THE GRADUATING CLASS OF 1969

"Our Last Visit"

The Seniors eagerly await Mr. McGlothlin's presentation of their diplomas.

Mr. Stilwell directs the class in the singing of "Climb Every Mountain" at Commencement on May 14.
